RiverQuest’s regular program fees reflect a fraction of the actual cost to present the program. The balance is underwritten through foundational, corporate and government funding. Fees are per student; minimums apply.

RiverQuest Field Study (30 minimum/60 maximum)	Regular Underwritten Per-student Fees
Environmental Science - 4.5 hour study	\$30 per student
Two 3-hour Environmental Science trips on the same day	\$25 per student
90-minute Group Tour (It’s Alive, Bridges of Pittsburgh, etc.)	\$15 per student

**A Special Note:**

*Programs that are offered at reduced or no fee are not “free” programs. They represent a large investment of time, effort and funds. Actual per-student expense for the full program is more than \$120 per student.*
